Sir:

Applicants submitted replacement drawings for Figures 3-4 and a new sheet for Figure 9 in their Amendment and Response dated December 29, 2004. In the Notice of Allowability dated March 16, 2005, Applicants received a copy of the replacement and new sheets showing the handwritten approval by the Examiner thereon. However, the Notice of Allowability also contradictorily indicates that corrected drawings are due. The undersigned contacted the Examiner on April 26, 2005 and was informed, by the Examiner, that the drawings were received and approved and that a Supplemental Notice of Allowability would be issued shortly. To date, Applicants have not received such notice.

Applicants resubmit herewith the replacement and new sheets submitted with the December 29, 2005 Amendment. Applicants respectfully request the issuance of a Supplemental Notice of Allowability indicating that the submitted drawings were accepted.

The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment to Deposit Account No. 13-4500, Order No. 5000-4999. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
